It is just one year ago since we assumed control of the well-known London & Liverpool Clothing Co., and we think that we have clearly demonstrated the fact that we have in one short year given a lesson in generalship that others should benefit by in the future

We are not egotistical, but we feel proud. and justly so, too, of our wonderful success and, taking into consideration the adverse criticisms of our friends when we picked up the reins of management, we feel doubly triumphant, for we have carned a victory unprecedented in the history of the commercial world. We knew what we were doing when we took command, for we took ingredients that were heretofore unknown to the house that we rescued from an untimely end-viz., Brains, Energy, Honor and Truth. That is the foundation and that is the platform we shall ever stand on.

The people's obedient servants, London & Liverpool Clothing Co.

In returning our most sincere and heartfelt thanks to our friends and patrons we beg to state that we shall celebrate our first anniversary by presenting all purchasers during this week with a magnificent
